Subject: RE: HH2017 COM 09/12 - PIAT Daily Summary 09/12

**Hurricane Harvey
Region 6 PIAT Accomplishments & Forecasts
September 12, 2017**

Lead

- Coordinated message for Community Liaisons in the field.
- Discussed status and requested review of EPA in house existing printed flyers for approval.
- Received approval for public web links a coordinated. Wanted a link to both major categories but that is beyond the system capabilities.

Engagement

- Flyers sent to specific EJ email distribution list requested by DGray
- Updated information from Press Release Spreadsheet

Forecast

- Respond to congressional inquiries as needed

Information Management

- 1 New FOIA
EPA-R6-2017-011356
Ms. Emma Platoff
Texas Tribune
Submitted on 11/12/2017
Request any and all records related to the Arkema facility in Crosby, Texas (18000 Crosby Eastgate Road, Crosby, TX 77532), dated from Aug. 1, 2017, to Sept. 11, 2017. This should include, but is not limited to, any internal communications such as emails and memos; as well as any and all external communications, including, but not limited to, messages between the EPA and Arkema Inc., messages between EPA and the Texas Commission on Environmental Quality, and messages between the EPA and the Federal Emergency Management Agency.
This should include, but is not limited to, communications such as emails and memos. This should include, but is not limited to, any and all documents related to environmental quality testing on and around the facility.
- 1 PIC Line Inquiry-- KinderMorgan inquiry about Unified Command Statement regarding one of their facilities
- Sent Public Inquiries Tracker to Team Lead

Media

- Media clips at 0900 and 1430
- Two media inquiries: Thomson Reuters, EE News
- Trend: EPA beginning enforcement probe of impacted area

Research/Fact Finding

- Drafted intro paragraph on the role/purpose of the Community Liaisons
- Worked with Engagement Team to transmit brochures/flyers to EJ contacts per DGray
- Reviewed charging instructions for coding time and cross-referenced to ensure all PIAT members were included

Web/IT

- Handouts and documents were converted to Public viewing status on the Hurricane Harvey 2017 page. They are listed under the categories "Documents for Governments" and "Institutions and Handouts for the General Public".
- Posted new social media per David Gray.
- Forwarded a citizen complaint on Facebook to J. Wang.
- Forwarded a reporter question from Twitter to Durant/Hubbard.
- Checked content on the Harvey Response page.
